

Andrea Helf

Chief Financial Officer
H2Global Stiftung

Andrea Helf is Chief Financial Officer of the H2Global Foundation and Hintco GmbH.

She has 15 years of experience in managerial positions in finance management. As member of the management board of an international consulting company, she helped to set up the group under the roof of a European SE and accompanied subsidiaries in Africa, Latin America and Europe in their strategic and operative financial management. For GIZ (German Cooperation) she worked as a senior finance manager abroad as well as trainer for financial management worldwide, thus gaining experience in the public sector. She has a diploma in International Management and a Master in Practical Commercial Law.
