

Dr Kirsten Westphal

Executive Director
H2Global Stiftung

Dr Kirsten Westphal is Executive Director at H2Global Stiftung and leads the independent Analysis & Research Division.

Dr Westphal is also a member of the National Hydrogen Council. She is Deputy Head of the Advisory Council of the Hydrogen Roadmap Baden-Wuerttemberg.

Between 2008-2021, she worked at the Stiftung Wissenschaft und Politik (SWP) the German Institute for International and Security Affairs in Berlin. Among other tasks, she headed the project “Geopolitics of Energy Transformation — Hydrogen” funded by the Federal Foreign Office, where she serves as an external advisor now. She was a Member of the Expert Panel to the Global Commission on the Geopolitics of Energy Transformation in 2018-2019 and contributed to the Commission’s Report “A New World”, published in 2019.

Prior to that, she was Assistant Professor for International Relations and Foreign Policy at the Justus-Liebig-University in Giessen and at the Instituto de Relaciones Europeo-Latinoamericanas (IRELA), Madrid. She worked with PreussenElektra, and at the Peace Research Institute in Frankfurt/ Main.

She is on the Advisory Board of the Royal Institute Elcano, Madrid, and the Regional Centre for Energy Policy Research (REKK) Foundation, Budapest. She is a Member of the Scientific

and Advisory Board of 50Hertz and the Steering Committee of the German-Russian Raw Materials Forum.

She has published widely on international energy relations and EU external energy relations. Her books include *Global Energy Governance in a Multipolar World* (Aldershot/ Burlington Ashgate 2010); and *The Political and Economic Challenges of Energy in the Middle East and North Africa* (Routledge, 2018). Her recent publications on the geopolitics of energy transformation have appeared in *Nature*, *Global Policy*, *Energy Strategy Review*, *European Energy Journal* and at SWP.
