

Dr Axel Wietfeld

Chairman of the Board of Trustees
H2Global Stiftung

Dr Wietfeld is Chairman of the Board of Trustees of the H2Global Foundation.

He serves as CEO of Uniper Hydrogen. From 2016 to 2020, in his position as Managing Director of Uniper Energy Storage, he led one of Europe's largest gas storage operators with facilities in Germany, Austria and the UK where he successfully developed power-to-gas/hydrogen projects to support renewable energies.

In his previous roles at Uniper/E.ON, Dr Wietfeld held several key executive positions: CEO of E.ON Southern Africa Ltd (South Africa), CEO of E.ON Földgaz Storage (Hungary) and Vice-President Group Energy Projects in Dubai (United Arab Emirates).

Dr Wietfeld is currently President of Gas Storage Europe (GSE) and in June 2017 was elected to be a representative of the Gas Storage Europe Executive Committee towards the GIE Board.

Dr Wietfeld received his PHD from the Institute of Energy Economics at Technical University, Cottbus (Germany).
